

VETTERY

May 2016

Vettery Vision

Vettery will be the marketplace used for hiring across all roles, levels, and geographies.

Vettery is a two-sided marketplace that allows companies to discover candidates and request interviews.

The marketplace provides transparency, price discovery, intent, and ease.

Over 1,700 hiring managers have signed up in the 57 weeks since we launched connecting with over 4,700 candidates.
